Assessment contact arrangements
The home will have at least one unannounced assessment contact every year.

Notification to Department of Health
Under the Quality Agency Reporting Principles 2013, we must tell the Secretary of the Department of Health about this decision.

Process undertaken and information considered
<p>In making my decision, I considered the home's performance against the Accreditation Standards, its performance history as well as whether the approved provider will undertake continuous improvement.</p> <p>I took into account the following information:</p> <ol style="list-style-type: none">Audit report for a re-accreditation audit conducted 17 July 2018 to 18 July 2018Audit assessment information for a re-accreditation audit conducted 17 July 2018 to 18 July 2018Information received from the Secretary of the Department of Health dated 29 June 2016, 17 November 2017, 22 March 2018Assessment contact reports for assessment contacts conducted on 18 December 2015, 14 February 2017, 01 February 2018Re-accreditation decision dated 11 August 2015The home's performance against the Accreditation Standards since 2000

Reasons for decision

Summary

I have decided to re-accredit the home for three years as the home meets the Accreditation Standards and the home has satisfied me that it will undertake continuous improvement.

Performance against the Accreditation Standards and compliance with other responsibilities under the Act

I find the home meets 44 expected outcomes.

Continuous improvement

I am satisfied the home will undertake continuous improvement based on the information in the audit assessment information about 1.1, 2.1, 3.1 and 4.1 Continuous improvement.

Simon Couper
Senior Quality Surveyor
